OLC #78-52/2

Mr. James Lilley  
National Intelligence Officer for China  
Central Intelligence Agency  
Washington, D.C.

Dear Mr. Lilley:

I appreciate your very generous participation in our pre-China briefings. The mission is going at a particularly important time in U.S.-China relations, and your insights will help form an important part of the expertise our group brings into the PRC, and, therefore, will play a key part in what our group is able to bring out.

When we get back, I hope that we can meet to "de-brief" each other on events in the interim, and, of course, to discuss in full the results of our mission.

Again, many thanks.

Sincerely,

Lester L. Wolff, Chairman  
Subcommittee on Asian  
and Pacific Affairs
